They came seeking a new livelihood, new freedom, both political and religious. Those faithful Catholic immigrants were already fused in the solidarity of their Catholic faith and in the warmth of the charity of Christ which burned in their hearts. We would like to thank you for your support of our store. Purchasing your church supplies through our brick and mortar operation keeps the doors open. Our presence is needed for Catholics to come and see sacramentals and in some cases have their faith rekindled. Stores continue to close but your support keeps us open. We appreciate you taking the time to call us and in turn we work very hard to provide customer service, pricing and product knowledge second to none.

We are in the directory again this year supporting the diocese, in turn hoping to gain your support also. If you are not a customer, please consider us prior to your next purchase.
